Web Technologies WS 2011/2012

Assignment 7

Deadline 14.12.2011, 08:00

Please submit your results into the “Shared Domain” section (in your group wiki and folder).

If you have questions regarding the assignment or encounter difficulties then please use the L²P forum or send us an email.

Task 7.1: Project

Now that you are familiar with the basic Web technologies, please start implementing your project idea. Thereby, you can use the Web technologies of your choice (server-side, client-side, Web services, AJAX ...). The final deadline for your project will be January 23rd.

Task 7.2: Preliminary Presentation

We will have a preliminary presentation in the lecture on December 15th. Please prepare a short presentation to show the current status of your project (about 3 min). You can show some interesting code, some fancy functions, a demo or whatever else you like.

We will continue discussing the progress of your project in the weekly peer-review sessions.
