Web Technologies
WS 2011/2012

Assignment 6   **Deadline 01.12.2011, 08:00**

Please submit your results into the "Shared Domain" section (in your group wiki and folder).

If you have questions regarding the assignment or encounter difficulties then please use the L^{2}P forum or send us an email.

Task 6.1: JSP + Servlets

As we noticed that some of the groups didn't manage to submit the last assignment, please continue working on task 5.2 if you haven't finished that, yet.

Task 6.2: Enhance your project with Web Services

Make your project use at least three functionalities from external services. You may implement the functionalities for the JSP or the php version of your website. Possible APIs are available from http://www.programmableweb.com/.
